

**ETV Wet Weather Flow Technologies Pilot  
Stakeholder Advisory Group and Interested Parties  
Meeting Announcement  
January 26, 2000**

Date: January 26, 2000

Location: Embassy Suites Hotel  
9000 Bartram Avenue  
Philadelphia, PA

[Accommodation](#) ▼

The Stakeholder Advisory Group for the Wet Weather Flow Technologies ETV Pilot will hold its third meeting on Wednesday, January 26, 2000, at the Embassy Suites Hotel, 9000 Bartram Avenue, Philadelphia, PA (located near the Philadelphia International Airport). The meeting will run from 8:00 a.m. to 4:00 p.m. The meeting is open to all interested parties. A [preliminary agenda](#) (PDF, 6K) and information on [hotel accommodations](#) are enclosed.

In conjunction with the Stakeholder Advisory Group meeting, NSF International and the US Environmental Protection Agency are also hosting a number of Vendor Meetings and Technology Panel Meetings on the day preceding and the day following the SAG meeting.

A Vendor Meeting for Stormwater Source Treatment Technologies will be held from 8:00 a.m. to 12:00 p.m. on Tuesday, January 25, 2000. At this meeting, NSF and EPA will provide manufacturers of urban stormwater treatment technologies (i.e., flow-through structural BMPs) with details about the benefits and responsibilities of participation in the ETV program. A separate invitation to this meeting will be forwarded to the vendors.

The Technology Panel on Stormwater Source Treatment Technologies will be convened from 1:00 p.m. to 5:00 p.m. on January 25, 2000. Agendas for these meetings will be developed over the next month in consultation with Technology Panel members. Observers are welcome to attend the Technology Panel meeting.

The Technology Panel on High-Rate Disinfection will meet from 6:30 p.m. to 9:00 p.m. on Tuesday, January 25, 2000. An agenda for this meeting will be developed over the next month in consultation with Technology Panel members. Observers are welcome to attend the Technology Panel meeting.

A Vendor Meeting for Wet Weather Models will be held from 8:00 a.m. to 12:00 p.m. on Thursday, January 27, 2000. This meeting will provide vendors of urban runoff models and collection systems models the opportunity to learn more about participation in the ETV program. A separate invitation to this meeting will be forwarded to the vendors.

The Technology Panel on Wet Weather Models will be convened from 1:00 p.m. to 5:00 p.m. on January 27, 2000. Agendas for these meetings will be developed over the next month in consultation with Technology Panel members. Observers are welcome to attend the Technology Panel meeting.

#### [WWF ETV Meeting Schedule](#)

A block of rooms is being held at the Embassy Suites Hotel, 9000 Bartram Avenue, Philadelphia, PA for the nights of January 24, 25, and 26, 2000. NSF has obtained a group rate of \$139 per night for meeting attendees (\$113 for government employees with proper identification). To be sure to get the group rate, please call the hotel directly at (215) 365-4500 for reservations no later than January 11, 2000. Please inform the hotel reservationist that you will be attending the EPA/NSF Wet Weather Flow ETV meeting and the number of days that you will be staying.

The hotel provides a complimentary airport shuttle, parking, and a morning newspaper. Each evening complimentary beverages and hors d'oeuvres are offered to guests at the Manager's Reception. There is a heated indoor pool, whirlpool, sauna, exercise room and basketball court. If you are staying at the hotel, you will also receive a complimentary full breakfast daily. Breakfast is served from 6:00 a.m. to 9:30 a.m. If you are commuting to the hotel and wish to have the option of breakfast, you may purchase a coupon for \$8.50.

Please return the [FAX sheet](#) (PDF, 7K) to Pat Wilkie at NSF by Wednesday, January 12 to inform us if you will be attending one or more of the meetings. Please don't hesitate to call me (734/913-5786) or Kevin Smith (734/913-5719) if you have any questions about the meetings.
